Generating Ideas - Creating Cultures...

An ISO 9001:2015 Certified
Translation Company

Brief Introduction

LanguageTop is an ISO 9001:2015 Certified Company headquartered at Lucknow (India) established in 2012. We also have presence in Delhi and Mumbai. We cater our services in 310 language pairs including Asian, African, American, European & Middle East languages. We are committed to quality deliverable engaging advance technologies. LanguageTop provides services in the field of Technology, Finance, IT & Software, Insurance, Manufacturing, Marketing, Gaming, Legal, Healthcare, Hospitality, Retail and Utilities. We are also a member of GALA and ELIA.

Our Vision

We want to bring our passion for language and our love for technology together to help our clients in making their products and services global. This means to be available worldwide, in local languages, and customized for local cultures.

Our Mission

Be the leader in providing linguistic solutions to our clients so that they can be successful in their business globally. Achieving 100% client satisfaction through our strong communication, collaboration and consistency with our high-quality delivery. We care about how satisfied you are with us, not just about getting the job done. Improvement and innovation happens best when there is an environment of collaboration.
